

When De Wolf Hopper first appeared in the Music Box Review, wearing a simple sweater jacket, he unwittingly set a fashion. Its latest development is a sportswoman's suit of knitted fabric, its mannish top a direct descendant of the self-same sweater that De Wolf Hopper wore. New Frocks for Misses

Freshen the mid-season wardrobe
with recent style touches

at 29.75

When one takes satin crepe of a soft supple quality and fashions it into a frock with simplicity as the keynote, the result is a frock such as one would designate especially for the springtime of youth.

These new models are straight of line with smart pleated panels and a flatteringly draped collar. A simple draped girdle trimmed with flowers of self material finishes the frock. Other models of flat crepe, trimmed smartly. These come in shades of Lanvin green, gray, beige, French blue, navy and black. Sizes 14 to 20 years.
